Description of violations and recommendations for corrections: An inspection was made at 9:15 on December 11, 1980. This was one of three other inspections made during 1980. We found the general operation satisfactory during these four visits. However, care should be taken to ensure the timely collection and compaction of all material that will not be salvaged.

You are hereby notified of the above violations. Failure to correct these violations within \_\_\_\_\_ days may result in the revocation, suspension or denial of your solid waste disposal license or other legal action.

If assistance in correcting these violations is desired, contact your Local Health Department and/or district office of the Environmental Protection Agency.
